Re: Application of ComTech21, LLC for Approval of a Transaction Whereby Cybertel  
Transfers Its Customers to ComTech21, LLC.  
Docket No. 04-00164

Dear Ms. Johnson-Byers,

This letter is to follow-up on David McClanahan's conversation with you on August 3, 2004 concerning your petition to transfer customers from Cybertel to ComTech21, LLC. As he relayed to you, the Tennessee Regulatory Authority does not accept one-party petitions for transfer of control, assets, or customers. You must submit a joint-petition signed by authorized signatories for each of the parties, buyer and seller, before we can begin reviewing your case. Further, we cannot act on your joint-petition until after ComTech21, LLC receives Authority approval to provide telecommunications services in Tennessee in Docket 04-00057.

We have been unable to find a Docket No. or CCN for Cybertel that gives it authority to do business in Tennessee, unless it is in another name. If Cybertel has changed its name, we need that Docket No. /Order that authorized the company's name change. Otherwise we must assume it has no CCN. If it has a CCN in another name and it is leaving Tennessee we must know what it intends to do about its CCN. We have no contact person for Cybertel to discuss this situation with. Therefore, at this time, we are unable to act on this petition until such time as the Authority has the above mentioned information.

Ms. Sonja Johnson-Byers  
ComTech21, LLC

We reserve the right to send further data requests to each party, if necessary, when these problems are corrected. If you have any questions or comments please contact David McClanahan at 615-741-2904, ext. 177.

Sincerely,

A handwritten signature in cursive script that reads "Aster Adams".
